10 Steps to Start Homeschooling

1. _____ Gather information from trusted sources (CHEA, HSLDA, FPM)
2. _____ Know the law & your options
3. _____ Research style, methods, and curriculum
4. _____ Obtain curriculum and supplies
5. _____ Withdraw your student from the current school
6. _____ File your Private School Affidavit (or enroll in a PSP)
7. _____ Request your student's records
8. _____ Find your homeschool community (search CHEA's Homeschool Directory)
9. _____ Set up your record keeping and begin lesson planning
10. _____ Begin your homeschool adventure!
